Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed after a Notice of Allowability and is accompanied by a fee of \$180.00 as specified under § 1.17(p) and a certification as specified under § 1.97(e).

Each document listed in this Information Disclosure Statement was first cited in a communication from the European Patent Office (copy enclosed) in a counterpart foreign application, and this Information Disclosure Statement is being filed within thirty days of the mailing date of that communication. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Please charge the fee of \$180.00 to our Deposit Account No. 06-0916, grant any extensions of time required to enter this paper, and charge any additional required fees to our deposit account 06-0916.
